Art/DT: We will be doing a range of art techniques including: collage, painting, weaving, colour-mixing and using paints for effect.

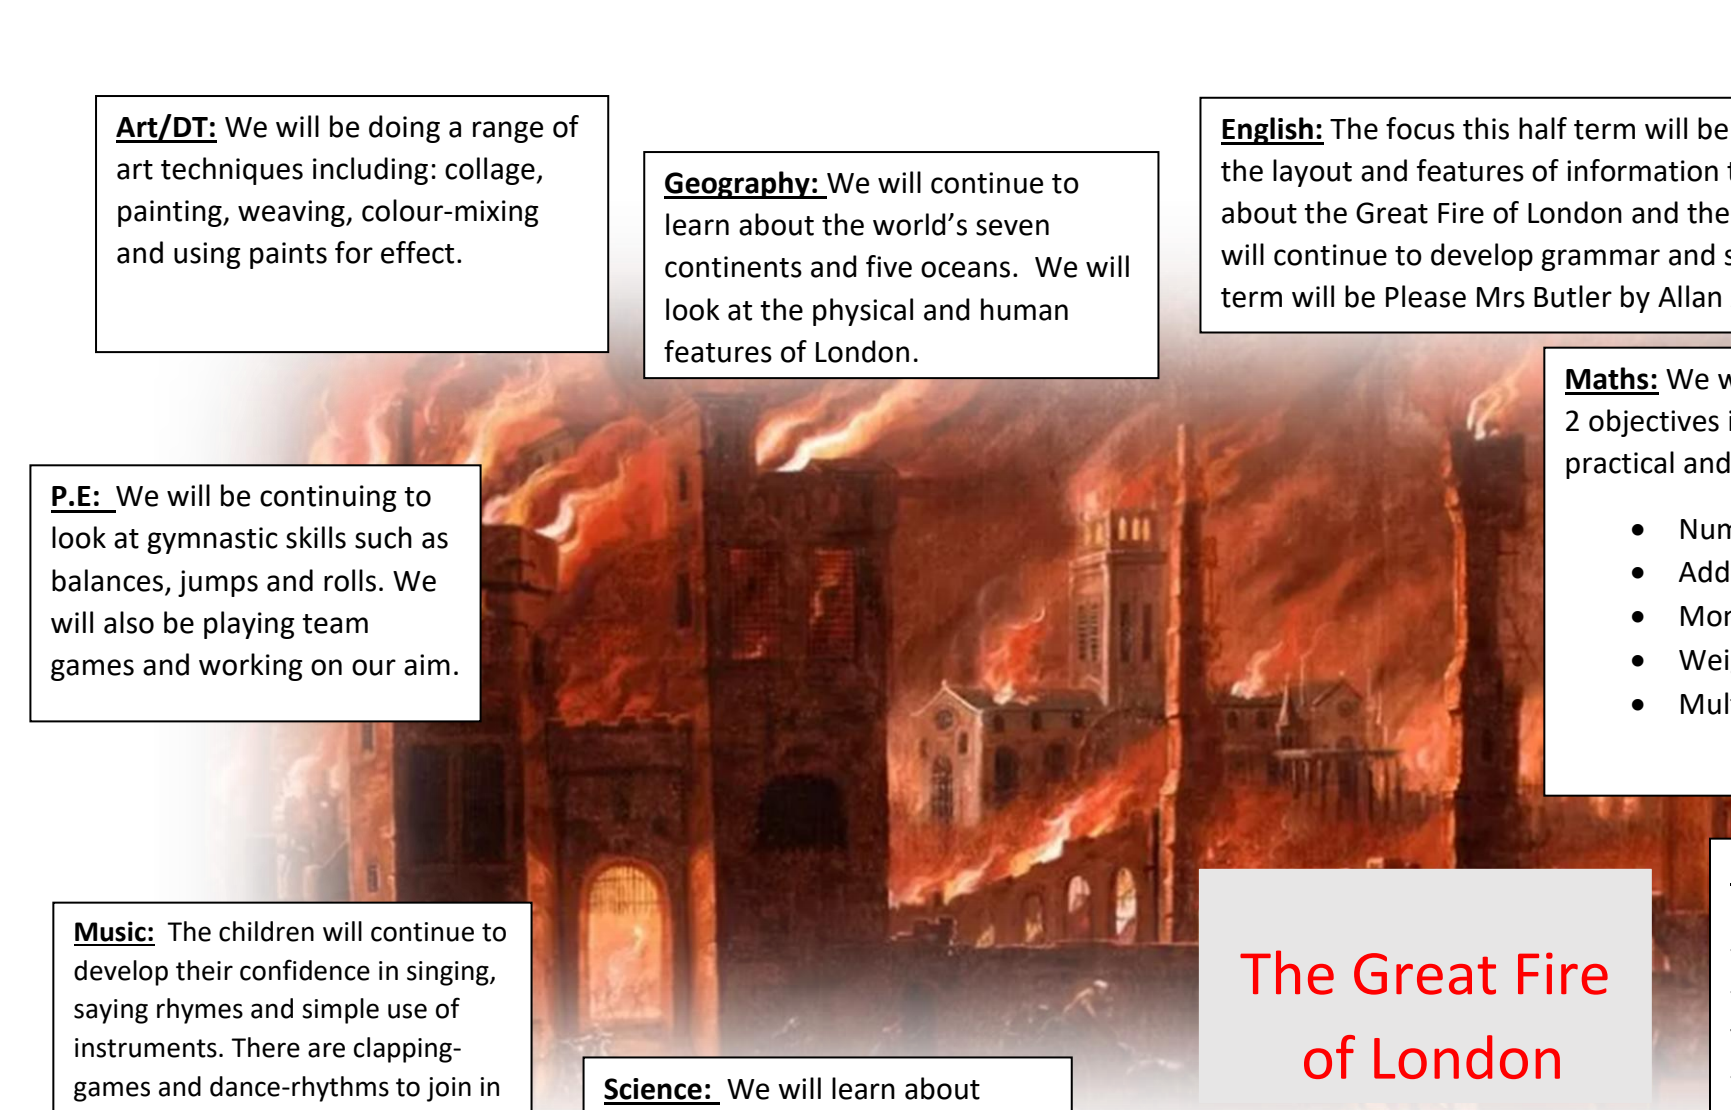

Geography: We will continue to learn about the world's seven continents and five oceans. We will look at the physical and human features of London.

English: The focus this half term will be on non-fiction texts. We look at the layout and features of information texts. The children will learn facts about the Great Fire of London and then write a third-person recount. We will continue to develop grammar and spelling. Our poem for the half-term will be Please Mrs Butler by Allan Ahlberg.

Maths: We will be working through the Year 2 objectives in a variety of ways including practical and written activities:

- Number and place value
- Addition and subtraction
- Money, addition and fractions
- Weight and Time
- Multiplication and Division

P.E: We will be continuing to look at gymnastic skills such as balances, jumps and rolls. We will also be playing team games and working on our aim.

The Great Fire of London

ICT: The children will use the iPads and laptops to support their research and to produce typed accounts of their writing. This will be supported by teachings of E-Safety.

Music: The children will continue to develop their confidence in singing, saying rhymes and simple use of instruments. There are clapping-games and dance-rhythms to join in with; melodies going high, low, up, down and in zigzag.

Science: We will learn about different materials and their suitability for different purposes. We will explore how objects made of some everyday materials can change shape and how the recycling process is able to reuse some everyday materials numerous times.

History: We will learn about the events of The Great Fire of London and how we can find out about the past through artefacts. We will also learn about Samuel Pepys and his famous diary.

R.E: We will learn about the different ways in which Christians belong to their faith family.
