

Spring 2

Paddington in London

Miss Boyce Miss Pudney Mrs Jimenez

P.E days will be Wednesdays and Fridays. Please make sure children's earrings are removed and their P.E kits are in school every day. We will be focussing on athletics and circuit training.

Phonics

We will be learning all about split digraphs in Phonics this half term and reading and spelling words containing Phase 5 graphemes.
We will also be practising reading lots of alien words containing all of the sounds we have learnt.
Please can you practise reading and writing the Tricky words on the back of this sheet. 😊

Science

We will continue to learn about every day materials, describing the simple physical properties of a variety of materials. We will be comparing and grouping materials by their physical properties. We will also be investigating the suitability of different materials for different jobs.

Geography

We will be learning about the countries in the United Kingdom. We will be leaning all about London and its famous landmarks. Finding human and physical features using maps, atlases and Google Earth.

Writing

We will be learning how to write our own instructions using time connectives and bossy verbs. We will learn more about singular and plural nouns and will be learning to use capital letters for names of places. We will learn and innovate the story 'The Queen's Hat' by Steve Antony. We will be learning to recite and perform the poem 'How to make a hippopotamus sandwich' by Shel Silverstein.

History

We will be looking at the Kings and Queens of England, focusing on Queen Elizabeth II and King Charles. We will learn about their coronations and discuss their similarities and differences. We will also be learning about why Queen Elizabeth II is a significant person in history.

Maths

We will begin the half term by recapping addition and subtraction facts and solving word problems.
We will practise our counting in 2s, 5s and 10s from any given numbers.
We will be doubling and halving numbers and begin to recall some doubles and halves to 20.
We will be describing position using mathematical language and learning how to tell the time to the hour and half past, as well as recapping 2D and 3D shapes.

R.E

We will be learning about Hinduism; Gods and Goddesses. We will be using our senses to explore the world around and make connections between religions and beliefs. Thinking about how people's beliefs impact their behaviours and decisions.

Design and Technology

We will be building structures and famous London Landmarks, exploring how we can make them stronger, stiffer and more stable.

Art

We will be drawing some famous London landmarks and create our own city scape.

P.S.H.E

We will learn all about keeping safe; identifying risks in everyday life, how to keep safe at home and online and people that can help to keep us safe. We will be recognising what might cause us harm.

Music

We will listen to a range of Hip Hop songs and begin to recognise the basic style indicators of Hip Hop. We will learn to identify the pulse and rhythm of a song.

Computing

We will be using the internet safely to find and retrieve information and pictures of London Landmarks. We will also be using Google Earth to locate famous London landmarks.

Show and tell will remain on a **Thursday** afternoon. This is a fantastic time to practice speaking and listening skills. Please only bring in items to show that you have made or *achieved*.
