

# Summer Term 1

# Paddington in Peru

Miss Boyce  Miss Pudney  Mrs Jimenez

P.E days will remain on Wednesdays and Fridays. Please make sure children's earrings are removed and their P.E kits are in school every day. We will be focussing on invasion games and athletics this term.

## Phonics

We will be continuing with our Phase 5 alternative graphemes for reading and spelling~ looking at all the different ways the same grapheme can sound and be spelt. We will also have a strong focus on alien words this half term as we prepare for our Phonics Screening Check in **June**.

## Science

We will be learning all about animals this half term. We will be naming a wide variety of animals and the animal groups they belong to.

We will be exploring Rainforest animals and learn about what these animals eat and how they are suited to where they live.

## Geography

We will be recapping the countries in the United Kingdom and learning its' countries.
We will learn about Peru and South America; locating Peru on a world map and exploring its' human and physical features. We will begin to describe similarities and differences between Peru and England.

## Writing

In Writing this half term we will be writing lots of facts about the animals we have learnt about as well as creating a fact page about Peru.
We will be using our sounds to help us spell unfamiliar words and be applying our tricky words in our writing. We will be thinking about suffixes and prefixes, as well as using the spelling rule for adding –s or –es to spell plural words.
We will also be beginning to punctuate sentences using a capital letter and a full stop, question mark or exclamation mark.

## Maths

We will begin the half term by recapping addition and subtraction facts to 20, doubles and halves and number bonds. We will continue to practise counting in 2s, 5s and 10s throughout the half term.
We will introduce multiplication as repeated addition and begin to understand multiplication and division using pictorial representations.
In shapes and measures we will continue to describe position, directions and movements, including whole, half, quarter and three-quarter turns. We will also be learning more about fractions; learning to recognise, find and name a half as 1 of 2 equal parts of an object, shape or quantity recognise, find and name a quarter as 1 of 4 equal parts of an object, shape or quantity.

## R.E

We are learning about Judaism and Shabbat.
We will be exploring the Jewish story of creation. How beliefs shape the way believers see the world and each other. How Jews follow their beliefs and use these to guide their daily life.

## Art

We will be looking at the work of Romero Britto, discussing our likes and dislikes and creating our own art work inspired by his use of bold patterns and colours.

## P.S.H.E

We are learning about relationships and family. The roles that different people play in our lives. How to maintain relationships and resolve conflicts in relationships.

## Music

We will listen to a range of Hip Hop songs and begin to recognise the basic style indicators of Hip Hop. We will learn to identify the pulse and **rhythm** of a song.

## Computing

We will be using the internet safely to find and retrieve information and pictures of Peru.
We will be using Google Earth to locate physical and human features in Peru.

Show and tell will remain on a **Thursday** afternoon. This is a fantastic time to practice speaking and listening skills. Please only bring in items to show that you have made or achieved.
