

### P.E

Our P.E days are Monday and Friday. In the hall we will be creating and practising our own dance routines to 'Planets' by Gustav Holst. Outside we will be practising Athletic skills. The children will need indoor and warm outdoor kit and trainers.

### Topic

Our topic this half term is The Romans! The children will be learning about the spread of the empire and army, Celtic resistance, Boudicca and Roman myths and Gods.

### Snack

Children will need to bring in their own healthy snack for the morning break time and a bottle of water for the classroom.

### Science

This term the children are learning about rocks and soils. They will investigate the properties of different rock and soil types and learn how fossils are formed.

# Welcome to Year 3!

Mrs Artus & Mrs Jones

### Maths

During Year 3 we will be focussing on our 3x, 4x, 8x tables. In this half term we will be focussing on place value in 3-digit numbers, column method for addition and subtraction and begin multiplication and division.

### Spanish & Music

The children will begin learning Spanish this term, starting with greetings. They will also have weekly music lessons with Mrs Bobby, practising rhythm and listening skills.

### Reading

Please read with your child 4x a week. This can be any kind of text. The children can change their school books once a week and can record any reading they do at home in their diary themselves, if an adult signs the parent signature. In school we will be reading together as a class using VIPERS skills to improve comprehension. We will check diaries once a week and reward with our marble scheme.

### Spellings, H/W & Times Tables

We will test times tables and spellings each week on a Friday and give out new spellings. Homework will be set and marked fortnightly on a Friday and children will receive Marvellous Me points for their efforts.
